Dear Judge Telesca:

We have reviewed your recent decisions in the above case and met with Mr. Warnes. This is to advise the Court that we are considering representing Mr. Warnes, but have not made a final decision until we have an opportunity to review the papers and pleadings as well as to review in detail Mr. Warnes allegations, claims and defenses.

Due to the press of other matters, we respectfully request the Court to grant an additional 60 days for us to finalize an engagement and file an amended counter-complaint.

It is our understanding that an Order to Show Cause is currently scheduled with a return date of May 16, 2011. We hereby request that the Order to Show Cause date be extended to on or about July 16, 2011.

Sincerely,

David L. Cook, Esq.
